graphical formats such as charts.

- Participate in tutorial, simulation and professional placement discussions.
- Read and comprehend written and oral prescription orders and medical records.

## 3. Interpersonal Communication Skills

## Inherent Requirement

Respectful communication with others, including the ability to listen, display and respect empathy, build rapport and gain trust to ensure meaningful and effective interactions with people they engage with.

## Rationale

Communication skills are an essential requirement to develop and maintain trusting relationships, and to perform effectively in an academic and complex professional environment, as well as solve problems and communicate knowledge and understanding of relevant subject matter effectively.

## Examples

- Communicate respectfully with people of different gender, sexuality and age, and from diverse cultural, religious, socio-economic and educational backgrounds.
- Create and develop rapport with peers, academic and profession staff conducive to effecting working relationships.
- Cultural competence, sensitivity and willingness to work with individuals in a complex and diverse Australian educational setting.
